RAOU Officers vi-viii

VOLUME 96 • PART 1 • MARCH 1996

Doug P. Armstrong
Territorial behaviour of breeding White-cheeked and New Holland Honeyeaters: conspicuous behaviour does not reflect aggressiveness 1

Clifford B. Frith and Michael McGuire
Visual evidence of vocal avian mimicry by male Tooth-billed Bowerbirds *Scenopoeetes dentirostris* (Ptilonorhynchidae) 12

William J. Maher
Nestling food and feeding frequencies of the Brown-backed Honeyeater *Ramsayornis modestus* and the Yellow-bellied Sunbird *Nectarinia jugularis* in northern Queensland 17

A.G. Wheeler and M.C. Calver
Resource partitioning in an island community of insectivorous birds during winter 23

David Priddel and Robert Wheeler
Effect of age at release on the susceptibility of captive-reared Malleefow *Leipoa ocellata* to predation by the introduced fox *Vulpes vulpes* 32

Jennie Pearce
Habitat selection by the White-eared Honeyeater. I. Review of habitat studies 42

Jennie Pearce
Habitat selection by the White-eared Honeyeater. II. A case study at Yellingbo State Nature Reserve, south-east Victoria 50

Matthew Wheal
Movement patterns of honeyeaters foraging alone and in flocks for nectar of *Astroloma conostephiodes* in Hale Conservation Park, South Australia 55

Short Communications

David Runciman Activity budget of non-breeding Helmeted Honeyeaters 62

J.M. Hughes, J.D.E. Hesp, R. Kallioinen, M. Kempster, C.L. Lange, K.E. Hedstrom, P.B. Mather, A. Robinson and M.J. Wellbourn Differences in social behaviour between populations of the Australian Magpie *Gymnorhina tibicen* 65

Book review 71

VOLUME 96 • PART 2 • JUNE 1996

Joanna Burger and Michael Gochfield
Use of space by nesting Black-billed Gulls *Larus bulleri*: behavioural changes during the reproductive cycle **73**

Bruce M. Beehler and John P. Dumbacher
More examples of fruiting trees visited predominantly by birds of paradise **81**

Andrew L. Mack and Debra D. Wright
Notes on occurrence and feeding of birds at Crater Mountain Biological Research Station, Papua New Guinea **89**

Clifford B. Frith and William T. Cooper
Courtship display and mating of Victoria's Riflebird *Ptiloris victoriae* with notes on the courtship displays of congeneric species **102**

B.R. Quin
Diet and habitat of Emus *Dromaius novaehollandiae* in the Grampians Ranges, south-western Victoria **114**

David A. Milton, Geoffrey C. Smith and Stephen J.M. Blaber
Variable success in breeding of the Roseate Tern *Sterna dougallii* on the northern Great Barrier Reef **123**

Short Communications

Eric J. Dorfman and John Read Nest predation by corvids on cormorants in Australia **132**

Cindy L. Hull and Jane Wilson Location of colonies of Royal Penguins *Eudyptes schlegeli*: potential costs and consequences for breeding success **135**

Sarah Legge and Robert Heinsohn Cooperative breeding in Hooded Pitohuis *Pitohui dichrous* **139**

Roger J. Stafford A nesting colony of Yellow-eyed Starlings *Aplonis mystacea* **140**

Book review **143**

VOLUME 96 • PART 3 • SEPTEMBER 1996

G.S. Baxter
Provision of supplementary nest material to colonial egrets **145**

Olivier Robinet, Nicholas Barre and Michel Salas
Population estimate for the Ouvea Parakeet *Eunymphicus cornutus uvaeensis*: its present range and implications for conservation **151**

Rodney P. Kavanagh
The breeding biology and diet of the Masked Owl *Tyto novaehollandiae* near Eden, New South Wales **158**

W.K. Martin
The current and potential distribution of the Common Myna *Acridotheres tristis* in Australia **166**

M. McGuire
Dialects of the Chowchilla *Orthonyx spaldingii* in upland rainforest of north-eastern Australia **174**

David C. McFarland
Aggression and nectar use in territorial non-breeding New Holland Honeyeaters *Phylidonyris novaehollandiae* in eastern Australia **181**

M.J. Imber
The food of Cook's Petrel *Pterodroma cookii* during its breeding season on Little Barrier Island, New Zealand **189**

Short Communications

J.L. Carter, G.J.E. Hill and P.K. Dyer Breeding cycle of Wedge-tailed Shearwaters *Puffinus pacificus* at Heron Island, Great Barrier Reef **195**

D.R. King, W.E. Kirkpatrick and M.McGrath The tolerance of Malleefowl *Leipoa ocellata* to 1080 **198**

A.K. Smyth and J. Young Observations on the endangered Black-breasted Button-quail *Turnix melanogaster* breeding in the wild **202**

Elaina M. Tuttle and Stephen Pruett-Jones White-winged Choughs *Corcorax melanorhamphos* using a stick nest **207**

D.B. Lindenmayer, M.P. Pope, R.B. Cunningham, C.F. Donnelly and H.A. Nix Roosting of the Sulphur-Crested Cockatoo *Cacatua galerita* **209**

Book reviews **213**

Publications recently received **216**

VOLUME 96 • PART 4 • DECEMBER 1996

Ian J. Mason and Robert I. Forrester
Geographical differentiation in the Channel-billed Cuckoo *Scythrops novaehollandiae* Latham, with description of two new subspecies from Sulawesi and the Bismarck Archipelago **217**

Iain R. Taylor, Sarah G. Taylor and Geoffrey N. Larmour
The effect of food stealing by Silver Gulls *Larus novaehollandiae* on the foraging efficiency of Bar-tailed Godwits *Limosa lapponica* **234**

Peter R. Mawson and Marion C. Massam
Red-capped Parrot *Purpureicephalus spurius*: moult, age and sex determination **240**

M.K. Todd
Diet and foraging behaviour of Red-browed Finches *Neochmia temporalis* near Newcastle, New South Wales **245**

Rodney P. Kavanagh and Michael Murray
Home range, habitat and behaviour of the Masked Owl *Tyto novaehollandiae* near Newcastle, New South Wales **250**

F. Norman Robinson and H. Sydney Curtis
The vocal displays of the lyrebirds (Menuridae) **258**

Short Communications

S. Burnett, J. Winter and R. Russell Successful foraging by the Wedge-tailed Eagle *Aquila audax* in tropical rainforest in north Queensland **277**

A.S. Kutt Bird populations density in thinned, unthinned and old lowland regrowth forest, East Gippsland, Victoria **280**

Monica Muranyi and Peter R. Baverstock The distribution and habitat preference of the Bush-hen *Amaurornis olivacea* in North-eastern New South Wales **285**

Book review **288**

Publications recently received **288**
